COLLEGE CASE STUDY

PURPOSE

OVERVIEW

Mr. Basant Bansal, a true visionary leader who dared to change the Gurugram skyline. Under his astute leadership, M3M has played a significant role in shaping the urban landscape of the Millennium City. Their projects employ strategic planning, financial acumen, and an understanding of market dynamics.

The M3M case study will allow students to analyze actual projects, understand the complexities involved in real estate development. This will provide students with hands-on experience and insights into the real estate sector.

This initiative will be crucial for preparing a skilled workforce for the real estate sector.

LEGACY IS NOT LEAVING
SOMETHING FOR PEOPLE.

IT'S LEAVING SOMETHING IN PEOPLE.

College case studies are powerful reminder that the most enduring legacies are those which live on the values, lessons, and warmth passed on to others.

Case studies emphasizes on experiential learning, site tours, and simulations. Such experiences prepare students for various roles within the industry by developing their analytical and problem-solving abilities.

YOUR LEGACY IS THE FOOTPRINTS YOU LEAVE IN THE LIVES OF THOSE YOU TOUCH.

“

M3M will serve as an exemplary case study for university students. An explanation particularly in the field of architecture, landscape design, project planning, urban studies, and most importantly organizational ethos.

M3M's rich history, diverse ecosystem, and evolving role in urban life will provide a multifaceted framework for academic exploration.
